THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

Order Approving Revised Schedule O and Rejecting the Office of Regulatory Staff's Proposed New Filing

SUBJECT:

[DOCKET NO. 2018-292-E](#) - Lockhart Power Company Request for Approval of Proposed Experimental Tariff ED-1 (Economic Development) and Revised Schedule O (Power Adjustment Clause) - Staff Presents for Commission Consideration Lockhart Power Company's Revised Schedule O (Power Adjustment Clause).

COMMISSION ACTION:

I move that the Commission approve Lockhart Power Company's Revised Schedule O (Power Adjustment Clause). The proposed revision would allow levelization of purchased power credits or charges over a period not to exceed 12 months. The purpose of this revision is to minimize the impact on the Company's customers. ORS does not object to the Company's request. ORS does however recommend that the Company file on a monthly basis the monthly billed rates under Schedule O with the Commission and serve ORS and any other parties in Docket No. 2018-292-E with a copy. Lockhart Power Company opposes such a filing, and states that it already provides this information to its customers on a monthly basis on their bills. Further, the Company believes such a filing as ORS proposes would increase its cost to the ratepayers. Because of the reasons cited by Lockhart, I further move that the Commission reject the proposed new filing at this time, but that the Commission allow ORS to raise the matter again in Lockhart's next rate case for consideration by the Commission, if appropriate. So move.
